## **Introduction:**

Hello! Thanks for downloading this ebook. At first – I’m sorry for my English as I’m not native English speaker. However I think you should understand what I’m going to tell you.

I’m an accountant in a firm and I went to California three month ago. I wanna show you how I picked up a clever and beautiful Russian girl (who will come to me soon) via internet almost without much effort! I decided to write this report for free for one reason: I know how many people are in search for a bride abroad. And I also know that people are not willing to spend much money on dating sites or airline tickets to Russia. Due to my report you’ll spend minimum of money it won’t be necessary to go to Russia! For clearness I decided to make screenshots of my every step, therefore this ebook is a step-by-step guide. Just read, look at screenshots and do as I show you!

At first I went to this site: <http://tinyurl.com/kunxxo> and began registering.

The screenshot shows the top navigation bar with a red background. It contains a search icon, the text "Lady's Age: from 18 to 35", a search button, a "Sign Up" button (circled in blue), and a "Log In" button. Below the navigation bar, there are two main sections: "Ladies Gallery" on the left and "Newest Profiles" on the right. The "Ladies Gallery" features a large image of a woman in white lingerie with the text "Lovely Lingerie" above it. The "Newest Profiles" section displays a grid of ten small profile pictures, each with the name and age of the woman below it. The names and ages are: Alevtina (Age: 20), Alena (Age: 23), Ekaterina (Age: 19), Julia (Age: 19), Viktoria (Age: 21), Natalya (Age: 21), Tatjana (Age: 21), Irina (Age: 21), Kristina (Age: 21), and Elena (Age: 22). A link "View All Newest Profiles" is located to the right of the "Newest Profiles" section.

After I filled in all the required fields I clicked “Sign Up” below.

The screenshot shows the registration page for Anastasia International. At the top, there is a red navigation bar with "Search", "Sign Up", and "Log In" buttons. The main heading is "Register on Anastasia International". Below the heading, there is a sub-heading "Free Member Registration" and a note: "Fill in registration form, if you do not have personal ID, and get free membership on Anastasia International". The registration form includes fields for: "Your First Name" (Max), "Your Last Name" (McLaren), "Your Birthday" (10 June 1980), "Country" (USA), "Email" (maxmclaren29@yahoo.com), "Enter a password" (\*\*\*\*\*), and "Re-enter password" (\*\*\*\*\*). There is a checkbox for "I agree to the terms and conditions!" and a "Sign Up" button (circled in blue). Below the form, there is a link: "If you can not register, please [contact us](#)". To the right of the form, there is a "Members Comments..." section with two testimonials. The first is from Darren Ayre, Australia, February 2005, and the second is from Peter Gaylor, UK, February 2005.

After registration I clicked the link “Search” to find a matchable girl. In the search form I pointed age from 18 to 22 yrs old, country, “Beautiful ladies first” and clicked “Show Matches”.

## Search for Your Special Lady

She was really beautiful! Maybe it was love at first sight, because from that moment I could think only about her! I decided to look at her other photos, and I clicked one of them. Thereafter I was on the page where I saw that I should send a letter to the girl to view the photos and it would cost me 1 credit. I just wrote her a short letter, because I didn't know what is credit, and clicked "Send".

I could also send Elena my photos but I didn't do this to fascinate her. Then I was on the page where I should purchase these credits. It might have been purchased from 2 to 100 credits but as to view the photos and send an email it is needed only 1 credit I decided to purchase minimum number of credits – 2 ones.

Please select the number of credits you would like to purchase:

What is a credit?

Our correspondence system works on a letter-per-credit basis. Each letter you send or open from the women costs one credit.

This credit covers the translation of the letter into or from English. The credit also supports our verification team, which checks the women personal and contact information before they are registered on Anastasia International. This team also regularly monitors correspondence to maintain the legitimacy and reputation of our site.

Our customer support system is available to you 7 days a week and we are always ready to assist you if you have any questions about our site or services. We are

That is all! It was all needed to do!

Elena replied me for 4 hours. I'm sorry I have no screenshots because it's private information and I don't want to publish it. She wrote she would be glad to get to me closely. I wrote her short about myself: what I do, my hobby (it's fishing, of course☺), how I spend vacations, what types of girls I like. She wrote me about herself and, to say the truth, she liked me not only outwardly but also inherently. She turned out to be a smart, well-educated girl and it was very nice to communicate with her. I have been corresponding with Elena for two weeks now and only yesterday I offered her to come to me to the US. She was very glad about that coz she had never been to the United States. Elena will come to me within a month after she has finished some questions at her university.

So, dear reader, if you really want to find your spouse abroad, don't put off till tomorrow but start making your private life right now! Just do as I showed you and you'll have it!

I would remind you the link for registration:
